

**ARTICULATION AGREEMENT
BETWEEN
STATE UNIVERSITY OF NEW YORK
COLLEGES AT
SUNY ONEONTA AND MOHAWK VALLEY COMMUNITY COLLEGE**

**MOHAWK VALLEY COMMUNITY COLLEGE DIETETICS (A.S.)
ARTICULATED TO**

SUNY ONEONTA – DIETETICS (B.S)

This agreement is intended to facilitate the transition of graduates from an associate degree program at Mohawk Valley Community College (MVCC) to a baccalaureate degree program at SUNY Oneonta (Oneonta). Oneonta and MVCC recognize their responsibility to students from their regions, as well as from the rest of New York State, to insure a smooth transition between the two institutions. Both institutions have made a strong commitment to help transfer students maximize their opportunities

1. MVCC students who have graduated or will graduate with an Associate in Science (A.S.) in Dietetics Studies, who apply in a timely manner and meet the admission criteria at the time of application, will be admitted to the Bachelor of Science (B.S.) degree program in Dietetics as matriculated students with junior status at Oneonta.
2. Table 1 shows MVCC A.S. in Dietetics degree requirements and Oneonta equivalent courses. Oneonta will accept a maximum of 75 semester hours from MVCC toward fulfilling the B.S. Dietetics degree requirements. Further information on Oneonta's transfer credit policy can be found on its website, [Transfer Credit](#).
3. Oneonta will advise MVCC of any changes to the course equivalencies listed in this agreement.
4. Students are advised to consult both the MVCC and Oneonta college catalogs regarding any modifications or changes to program requirements.
5. This agreement will come into effect on October 1, 2021. Each institution will make a good faith effort to regularly update the other institution regarding any changes to programs and requirements. This is a joint effort on the part of both institutions to help transfer students maximize their transferability.
6. This agreement will be reviewed in the fall of 2026 by contact among the articulation coordinators and department chairpersons/directors/coordinators at both institutions. Each institution assumes responsibility for making this a viable and workable agreement for interested students.

7. Each institution may carry out publications and marketing of this agreement. This can include, but is not limited to, printed material, websites, and inclusion of admissions material.

To be assured admittance to the B.S. Dietetics program at Oneonta under the terms of this agreement, all students must:

- be in good academic and student standing with MVCC,
- have a minimum MVCC cumulative grade point average (GPA) of 2.5,
- have completed and been awarded the A.S. Dietetics degree,
- have followed the prescribed process in applying to Oneonta and furnished a final transcript with the degree posted, and
- have earned a grade of B- or higher in each major and major-related course that is to be transferred. The courses are listed below:

NUTR 140- Nutrition I 3 s.h.

NUTR 247- Nutrition Across the Lifespan 3 s.h.

FOOD 130- Introductory Foods 3 s.h.

COMP 100- Composition 3 s.h.

STAT 101- Introduction to Statistics 3 s.h.

PSYC 100- Introductory Psychology 3 s.h.

SOC 101- Introduction to Sociology 3 s.h.

CHEM 111- General Chemistry 4 s.h.

BIOL 130- Cellular Perspectives in Biology 3 s.h.

BIOL 203- Elementary Microbiology 3 s.h.- satisfied by BIOL 362

BIOL 205- Human Anatomy and Physiology I 4 s.h.

BIOL 206- Human Anatomy and Physiology II 4 s.h.

See list on pages 6 for the entire list of DPD courses.

(Elective courses could be lower grades)

Upon acceptance to Oneonta, students who are transferring into the B.S. in Dietetics with a MVCC associate's degree will be:

- provided a transfer credit evaluation and advisement document outlining coursework to be completed
- awarded junior status
- considered for all Transfer Scholarships available through the Office of Admissions without filing any additional paperwork, and
- advised toward the successful completion of degree requirements by their academic department

Oneonta will extend every opportunity to help full time students who begin their Oneonta courses in the fall semester to complete the B.S. Dietetics degree in two additional years of full-time study. The course selection included in this articulation may be subject to change as new requirements are established for B.S. Dietetics majors

The primary contact person at Mohawk Valley Community College is Stephanie Lai, Programmatic Technical Assistant, Learning and Academic Affairs, Slai@mvcc.edu.

The primary contact at SUNY Oneonta is Donna Johnson, Coordinator of Articulation and Transfer Credit, SUNY Oneonta, 112 Welcome Center, Oneonta, NY 13820. Donna.johnson@oneonta.edu.

SUNY ONEONTA – GENERAL EDUCATION COURSE LIST

UNDERGRADUATE DEGREE & GEN ED 3 REQUIREMENTS	
<i>These requirements are for students matriculating or choosing curricula in the 2021-2022 academic year.</i>	
CATEGORY	DEGREE REQUIREMENT
Total Credits	Completion a minimum of 120 s.h. <i>1. Some majors require more than 120 s.h. Review the college catalog major listings for more information.</i> <i>2. Students are limited in the number of PHED activity (PACT attribute) s.h. they may earn as part of their degree. For students who matriculated prior to Fall 2009, the maximum number of PACT s.h. is 6. For students who matriculated Fall 2009 or after, the maximum number is 12. Any excess beyond the maximum permitted will require an equal number of additional non-PACT s.h.</i>
Liberal Arts (LA)	Bachelor of Arts (B.A.) – completion of a minimum of 90 s.h. Bachelor of Science (B.S.) - completion of a minimum of 60 s.h. Bachelor of Fine Arts (B.F.A.) – completion of a minimum of 30 s.h.
Upper Division (UPPR)	Completion a minimum of 45 s.h. of 200 & 300 level courses
General Education	Completion of General Education 3 (GE3) (30 s.h. with 7 of 10 areas met including Basic Communication, Mathematics, and a Natural or Social Science.
Add'l Oneonta Requirements	Completion of an Oral Communication Skills course (OCS) and a Scientific Reasoning course (selected from SUNY Gen Ed NS3 or SS3. These courses may overlap with all other requirements.
Residency - Overall	Completion of a minimum of 45 s.h. in residence (Oneonta coursework). 30 of the last 60 s.h. must be completed with Oneonta coursework.
Residency – Major (Minor)	One-half of any major/minor must be completed with SUNY Oneonta coursework.
Maximum Credits in the Major Department	Completion of a maximum of 60 s.h. in the department of the major for B.A. and B.S. degrees*Completion of a maximum of 90 s.h.in the department of the major for the B.F.A. degree*Exception: Majors in the department/schools of Human Ecology; Economics & Business; Foreign Languages; English; Mathematics, Comp. Sci & Stats; and Communication& Media may have no more than 60 s.h. in any single discipline. For Human Ecology, the single discipline groups are FOOD &NUTR; CONS, CHLD, & FAMS; and FASH. For English, the single discipline groups are ALIT, ELIT, WLIT & LITR; LING; and COMP.
Minimum Credits outside the Major Department	Completion of a minimum of 60 s.h. of non-major (department) coursework for B.A. and B.S. degrees* Completion of a minimum of 30 s.h. of non-major (department) coursework for the B.F.A. degree*Exception: Majors in the department/schools of Human Ecology; Economics & Business; Foreign Languages; English; Mathematics, Comp. Sci & Stats; and Communication& Media need at least 60 s.h. outside a single discipline from their field of study. For Human Ecology, the single discipline groups are FOOD & NUTR; CONS, CHLD, & FAMS; and FASH. For English, the single discipline groups are ALIT, ELIT, WLIT & LITR; LING; and COMP.
Grade Options for Majors/Minors	All courses in the major/minor core must be taken for a letter grade unless offered P/F only.
Overlap among curricula	No more than two courses may overlap between or among majors/minors. Any excess in overlap requires the completion of additional coursework in the field. <i>Exception: Education majors with non-education dual majors or any minor have no overlap restriction.</i>
Grade Point Average (GPA)	A minimum 2.00 GPA is required. <ul style="list-style-type: none"> - OVERALL GPA – calculated using all courses completed at SUNY Oneonta. - MAJOR GPA – calculated using the highest SUNY Oneonta grades earned to complete the minimum major requirements. - MINOR GPA – calculated using the highest grades earned to complete the minimum minor requirements. <i>Some majors have higher GPA and minimum grade requirements. See the College Catalog major and course descriptions for details.</i>

SUNY Oneonta Dietetics, B.S. Course Requirements: Highlighted courses satisfied while at two-year college

- CONS 150- Consumer Resource Management 3 s.h.
- FAMS 160- Family Perspectives 3 s.h.
- NUTR 140- Nutrition I 3 s.h.
- NUTR 100- Introduction to Dietetics 1 s.h.
- NUTR 141- Nutrition II 3 s.h.
- NUTR 240- Nutritional Assessment 3 s.h.
- NUTR 243- Nutrition Education and Counseling 3 s.h.
- NUTR 245- Medical Nutritional Therapy I 3 s.h.
- NUTR 247- Nutrition Across the Lifespan 3 s.h.
- NUTR 300- Dietetics Profession Seminar 1 s.h.
- NUTR 330- Community Nutrition 3 s.h.
- NUTR 340- Advanced Nutrition I 3 s.h.
- NUTR 341- Medical Nutritional Therapy II 3 s.h.
- NUTR 342- Advanced Nutrition II 3 s.h.
- FOOD 130- Introductory Foods 3 s.h.
- FOOD 230- Food Science 3 s.h.
- FOOD 232- Cost Control and Service Management 3 s.h.
- FOOD 331- Food Service Systems Management 3 s.h.
- HUEC 211- Service Industry Supervision 3 s.h.

Courses in Related Areas: 35 s.h.

- COMP 100- Composition 3 s.h.
- STAT 101- Introduction to Statistics 3 s.h.
- PSYC 100- Introductory Psychology 3 s.h.
- SOC 101- Introduction to Sociology 3 s.h.
- CHEM 111- General Chemistry 4 s.h.
- CHEM 226- Essential Organic Chemistry- 4 s.h.
- CHEM 330- General Biochemistry 4 s.h.
- BIOL 130- Cellular Perspectives in Biology 3 s.h.
- BIOL 203- Elementary Microbiology 3 s.h.- **satisfied by BIOL 362**
- BIOL 205- Human Anatomy and Physiology I 4 s.h.
- BIOL 206- Human Anatomy and Physiology II 4 s.h.

NOTE:

INFORMATION ABOUT RETENTION IN THE MAJOR:

Students are required to:

- 1) Earn a minimum cumulative GPA of 3.0 or higher by third semester (sophomore year) or second semester for transfer students. If the 3.00 is not earned, students are permitted one more semester to earn a 3.00. Failure to earn a 3.00 cum GPA will result in removal from the major.
- 2) Earn a minimum grade of "B-" in all, but two, major and major-related work courses. With program director approval, students may have up to 2 grades in the C- to C+ range when the cumulative GPA is 3.0 or above.

In addition, a student may repeat no more than three required courses in the major.

Students who have been dismissed from the major may appeal to the Dietetics Committee for re-entry to the major based upon extenuating circumstances or a rectified GPA. Re-entry to the major is not guaranteed."

The Dietetics Program is a Didactic Program which prepares students to meet the educational requirements of the Accreditation Council for Education in Nutrition and Dietetics Education (ACEND). In addition, an ACEND accredited supervised practice experience and passing a registration examination are required to become a registered dietitian. Supervised practice experiences are nationally competitive and completing an undergraduate degree does not guarantee that a student will receive a placement. After graduation, supervised practice programs require written verification of the student's completion of the academic requirements. Upon student request, Oneonta issues verification statements to all students who graduate with a B.S. in Dietetics. Students should obtain current policies from the program director. Students will be charged a fee if verification is requested two months or more beyond graduation. Effective January 1, 2024, a minimum of a master's degree will be required to take the registration examination by the Commission on Dietetics Registration. ACEND can be contacted at 1-800-877-1600 ext. 5400 or by writing the Commission at 120 South Riverside Plaza, Suite 2190, Chicago IL 60606-6995.
