

## **Cabinet Summary January 13, 2026**

Excused: Lew, Jill

Previous Meeting Summary – All

### SUNY Updates

- **Randy will share his notes with Cabinet on the SUNY digital transformation update presentation at the recent CC Presidents' meeting at the next Cabinet meeting.**

### Data Summit Overview

- Randy provided preview of the Data Summit presentation and invited feedback and discussion from the group.

### 360 Questions (final review)

- Randy distributed the proposed names for each Cabinet member's review.
- **Everyone will send Randy 3-4 additional names to consider adding roughly 2 more evaluators per person.**
- **Randy will engage the Paige Group to develop the process for their third party coordination.**

### Other

- Discussion surfaced agenda items for next week:
- Randy will have a strengths grid for the team to review as part of MJ's onboarding.
- MJ would like to discuss the upcoming phone contract negotiation.
- Randy will have Gloria send a calendar invitation out to all FT employees for the Data Summit.
