

Cabinet Summary October 13, 2020

Previous meeting summary - Jill

Values

- Alen and Randy - Embracing our Community (Student lunches-BLSU w/Cabinet & Muslim Student Association w/Randy).

Core Workshop & Executive Order

- Discussed Core workshop and approach in light of Executive Order

Data Summit

- Discussed approach for January that may not include a campus-wide convening.
- **Tom will have a conversation with Marie and her IR team to see if there are any data points of interest worthy of further discussion and/or sharing (college-wide).**
- **Lew will do a quick check-in with Aaron to see if he has been thinking about any topics for a data summit.**
- **Will revisit at October 27 Cabinet meeting.**

JC Operations in spring (public access and pool use) – Lew/Franca

- Franca provided an update on the conversation she had with Gary regarding a private group using the pool. Determined no use at this point.
- Plan for CCED is to use the pool in April depending on CDC/State guidance

Events and ESD guidance

- Jill reviewed the recent Empire State Development guidance for events.
- MVCC can use, and allow external groups to rent out, indoor facilities – including theaters and lecture halls – for anything (*including film screenings and other low risk entertainment*) as long as we are following:
 - The College's SUNY-approved [Responsible Restart Plan](#).
 - State Guidance on [Low-Risk Indoor Arts & Entertainment](#):
 - 25% capacity or max 50
 - Social distancing (6' apart)
 - Masks/facial coverings
 - *NOTE: Guidance about movie theaters (like Marquee, etc.) has to do with air filtration and has nothing to do with the showing of the movie itself.*
- Upcoming events for approval: November 6 Hacksaw Ridge in Schafer Theater – ok

Administrators' meeting agenda

- Crystal will provide (annual) Affirmative Action update; Nancy will provide an update on Payroll Authorization process.

Other

- Lew – **suggested Diversity Council send the Anti-racism statement out to the College community for feedback.**

- Randy – Revisited protocol for pool testing if our region becomes a yellow hotspot. **Jill will schedule a (full, including Tim and Jim) Crisis Team Table Top to discuss on October 20.**
- Jill – asked if folks have had conversations with their people for door coverage.
