

Cabinet Summary October 19, 2021

Present: All

Previous meeting summary

- **Add Core Workshop to October 26 for 15 minutes**

Wellness Council (Bring your dog to work day)

- Jill shared tentative plans for a Bring Your Dog to Work prototype (December 16).
- Next steps: **Jill will send an email to administrators explaining plan and ask for additional considerations.**
- **Randy/Jill – share with College Senate at November meeting.**
- Randy suggested creating an assessment for the prototype.

COVID updates

- Steph shared the College received first discrimination claim for religious exemption.
- Steph asked if we can/should include pre-college/pipeline programs in our weekly pool testing?
 - **Lew will check on P-tech to see if they are allowed to test or vaccinated only? Add to next week's agenda.**
- **Jill will arrange for Marie to meet with Jim, Gloria, and Jill to discuss the SUNY report she has to file by November 1.**
- Steph – Residence Halls:
 - Asked if we should we require boosters (once FDA approved) for res. hall students for spring 2022? **Add to 10/26 agenda.**
 - Masks: ok to relax requirement for res. hall students as they are all vaccinated.
- Requests for remote work beyond a day should be referred to HR to identify a reasonable accommodation.

Values

- Jill – generally speaking, folks are recognizing colleagues through award nominations (Pride/Heart, Who Made Your Day submissions). Amazing!

Other

- Crystal-provided an update on employee vaccination status.
 - **Lew will send a reminder to faculty to submit.**
- Todd – reminder that ATD will join the second half of Cabinet next week.
- Franca – needs access to MSCHE document. **Jill will arrange.**
- Steph – reduced testing hours beginning next week.
- Jill – reviewed SUNY numbers that will be submitted today.
- **Jill will send Cabinet what they need to do for 10/26 new employee visit to Cabinet.**
