

Cabinet Summary November 1, 2022

Excused: Jill

Values Moments

- Steph shared that De'Anna Hopkinson is embracing community by continuing to offer popular, well-attended events and activities with 80 students attending an event this past Halloween weekend.

Annual Plan Assessment

- Randy brought the 2021-22 Annual Plan and led a discussion about strengthening our annual reporting of accomplishments for each objective in the Plan.

Weather Procedures

- Discussion explored the extent to which clarity should be provided regarding people requesting episodic remote work during winter weather days.
- Consensus was around not drawing fine lines and continuing to support supervisors to manage requests among their teams as necessary and continue to monitor how things go throughout the winter.

SUNY Update

- Business officers and student affairs officers each have issues they're managing with gaining clarity from SUNY on some financial requirements for services from SUNY.
- The Chief Academic Officers are managing issues related SUNY's leadership and support related to online and distance learning.
- **We will add a SUNY update for 5 minutes each week to our standing Cabinet agenda.**

Other

- Good conversation that will be going to the Enrollment Management Roundtable regarding contacting students who have stopped out and doing transcript analysis to apply toward more certificates and microcredentials that didn't exist in the past.
