

Cabinet Summary May 4, 2021

Present: All

Summer camps/pool

- No testing for campers
- Pipeline programs – green light for full capacity with social distancing, screening requirements.
- Athletic camps – Review NJCAA, NYS, SUNY, CDC summer camp guidelines and proceed with the following in mind: aim for outdoor camps; masks required; encourage social distancing; required daily screening; enrollment max to should try to accommodate moving indoor in case of rain.
 - Low – High School leagues-ok to follow similar guidelines as Summer Camp protocol.
- CCED – investigating using a tent for more outdoor capacity. Planning to proceed with reduced numbers.
- Pool – NYS indicates the pool can be open. However, the dressing rooms cannot be used.
 - Determined: As of right now, the MVCC pool will remain closed. However, MVCC will teach a lifeguard class at the Clinton pool.

Budget check-in

- Discussed budget presentation for Board of Legislators update.

Checkpoint recommendation

- Tom shared the (mini) crisis/events team discussed and is proposing the elimination of the check-point effective May 14.
 - All building doors need to be opened (ADA compliance)
 - Potentially free up volunteers for testing;
 - Free up ACC 116.
- If checkpoint is eliminated, signage will be increased.
 - Will still use the screening app.
 - Consider increased/mandatory surveillance testing with employees.
- Potential cons: Removes ability to catch a sick individual; may decrease use of the screening app.
- **Revisit at May 11 Cabinet meeting.**
- **Cabinet should revisit the on-campus capacity spreadsheet for June 1 staggered return.**

Other

- Jill – Will send the list of employees who have not attended the Core Workshop.
- Franca – CCED will be connecting with Slate users in the fall to see if it makes sense for them to use; Update: National Guard office on the Rome Campus beginning May 21; Update: Tractor Trailer program - using a third party contractor.
- Randy – Update on a leadership keynote he and Stephanie heard last week that could be used for a summer Administrators' meeting.
