

## **Cabinet Summary September 25, 2018**

Present: all

### Previous Meeting Summary – Jill

#### Values Moment(s)

- Kim and Tom – Tentative APA agreement (Model the Way)
- Randy – Club Day (Embrace Community)

### Student Affairs Departmental Name Change – Stephanie

- FYI – Student Engagement and Outreach to *Student Engagement and Leadership*

### Teaching During the Workday – Kim

- Reviewed employees who are working alternate hours and discussed rationale.
- Discussed Guided Pathways impact to flexible start/end times for workdays and teaching needs.
- **Add to roundtable conversations.**

### Recognition and Wellness Councils Recommendations – David

- Recognition: create a local MVCC Excellence in Teaching award for CCED instructors. Would need to identify an additional \$500 in budget. All in agreement.
- Genesis Award nominations – reviewed last year's (unsuccessful) nominations and discussed direction for this year. Will move forward with one nomination (AIM program). Plan for C3 for next year (additional year of data will make a stronger nomination).
- Wellness Council:
  - Potluck on the Utica campus (modeled after Rome) – please try and attend if calendars allow.
  - Group fitness pilot (rotation of Zumba and yoga) over the lunch hour – encourage folks to try one, and support a flexible lunch hour (David will introduce at October administrators' meeting).
  - Standing desks – begin with who are perceived as sitting most (UPSEU classified/frontline staff). Cabinet suggested those who are interested to make some kind of a wellness commitment.

### Other

- Randy – BOT Personnel Committee wants to proceed with a college-wide compensation study (Board commissioned).
- Alen – FYI – Tim Thomas is working with Black River Systems who would like to use campus to shoot a Marketing promo.
