

Cabinet Summary January 4, 2022

Present: All

No formal agenda – COVID and return to campus primary items:

- Randy reviewed the Presidents' meeting updates.
- Return to campus testing plans.
 - **Randy will ask Kevin Revere if the County has any resources to provide rapid tests.**
- Steph asked for clarification on isolation requirement for employees and students. Remains at 10 days with special exceptions for “critical workforce” who in some cases can return after 5 days with a negative test.
- Crystal – provided an update on OSHA policy that could be effective January 10:
 - 10 days for isolation;
 - Mask wearing at all times;
 - Employee requirement to report their vax status (currently volunteer).
 - **Crystal will have (FYI) conversations with the unions and wait for federal court outcome on January 7.**
- Steph – asked if any requests for boosters will go to employees. Yes.
- Alen – virtual graduation this Friday will be sent (only) to those (unvaccinated) students who did not participate in December Commencement.
