

Cabinet Summary August 3, 2021

Present: All

Previous meeting summary – Randy reviewed as Jill was technologically challenged.

Upgrade to Events position

- Ok to proceed with upgrade to Bella's position

Edited College Withdrawal Policy/Procedure

- Steph reviewed the edits including changes to the mental health processes.
- **Will go as "FYIs" through the governance structure this fall.**
- For all policies and procedures: Consider transitioning to the following nomenclature: Board Policy versus Administrative Policy with related procedures for each.

COVID protocol/re-opening

Vaccinations:

- Residence Halls and vaccinations – Steph distributed a pros/cons worksheet. **Will require vaccinations for residence hall students. Stephanie will get the communication ready and send.**
- Athletes – Wait for now...more guidance coming.
- General student population – no requirement in order to maintain open access.
- Employees: Vaccinated = no testing; no vaccination = required weekly testing. Will need an MOU with unions.

Testing

- Discussed employee and student numbers.
- Density-establish thresholds and plans to reduce density in anticipation of an uptick in COVID cases.

Events

- 100% masked, no matter the size. (Because we are not testing our external guests or requiring vaccination status)
- As of right now, 100% vaccinated events = no masks. Will likely change as the positivity rate increases.
- Randy will need to be aware of events over 200 so that he can keep the County informed.

Masking

- Continue to follow local guidelines (for public/common spaces); SUNY guidance = masks are required in classrooms.
- Other: If there is a known unvaccinated individual not wearing a mask, let your own supervisor know and they will notify HR.
