Does Not

- Micromanage.
- Establish or maintain barriers to collaboration, innovation or expression of opinion.
- Ignore the need for change or discourage risk taking.

Guiding Points

- Focus on the MVCC vision and mission.
- Rely on strengths and approach all challenges with an abundance mindset.
- Strategically manage fiscal, human, and all other resources to sustain the organization and its role in the community.
- Generosity, respect, integrity, and trust should be at the center of all relationships.
