Characteristics of Excellence in Higher Education

14 Standards of Accreditation

Middle States Standards on Assessment

Standard 7: Institutional Assessment

"The institution has developed and implemented an assessment process that evaluates its overall effectiveness in achieving its mission and goals and its compliance with accreditation standards."

Standard 14: Assessment of Student Learning

"Assessment of student learning demonstrates that, at graduation, or other appropriate points, the institution's students have knowledge, skills, and competencies consistent with institutional and appropriate higher education goals."

Institutional Assessment

Characteristics of Assessment Processes

- Useful
