Minimum GPA	0	1.3	1.5	1.8	2.0	2.0
Must have finished this many semester's credits	0	6	6	9	9	12

New York State TAP only allows ONE waiver for students who do not meet the guidelines. According to the Higher Education Services Corporation, a one-time appeal is available if the student can document that extraordinary or unusual circumstances prevented him/her from achieving the required standards. Examples of unusual or extraordinary circumstances are illness, injury, death of a close family member, legal issues, or circumstances out of the students' control.
