

EMPLOYERS, YOUR **SKILLED** **WORKFORCE** IS WAITING.

Hundreds of apprentices and pre-apprentices are currently training at SUNY campuses across the state for careers in advanced manufacturing, health care, and IT.

Here are some great reasons to get started with Apprenticeship Programs at SUNY:

- SUNY and NYSDOL can help fund your apprenticeship program
- Apprenticeship programs may **reduce hiring costs**
- Companies working with apprenticeship programs report **higher productivity, less turnover**, and substantial **return on investment.**
- Registered employers may be eligible for **tax credits** for each qualified apprentice, with enhanced credits for those who employ disadvantaged youth apprentices.
