Communicate the outcomes of each event to the College community	Communicate
Complete an annual summary of activity	Inform Cabinet

DOES NOT

Do anything that works against creating a sense of unity within the college

GUIDING POINTS

Consider engaging all MVCC constituents (faculty, staff, students and retirees).
Get as creative as possible with your promotions, including staff from Marketing and Communications.
Remember that these events are intended to provide an opportunity to bring the College together and amplify our mission of "promoting student success and community involvement through a commitment to excellence and a spirit of service."
Consider holding an annual organizational meeting in September.
